

Harsh Realities

By Ronaldo Gilley

The attempt to avoid war is in itself an act in futility

Because the stage is already set

It is best to accept that violence is a utility

That is your best bet

Because there is no room for the forgiving man, a yielding hand, or honor among thieves

In a Savage Land

You now walk within the corridors of darkness

Gone are the days of seeking sympathy or solace

None of that exists in the land of the heartless
